WELCOME TO WHEELING

*President
Dean S. Argiris*

From the Desk of President Argiris

I'd like to express my profound gratitude to the residents of Wheeling for giving me the opportunity to serve as your Village President. As I prepare to leave office, I look back on my term as the highlight of my 20 years of service to this Village, and I take great pride in all that our community has accomplished. During my tenure I have worked closely with the Board of Trustees to make ambitious investments in our future. As the long global recession came to an end, we took decisive steps to guarantee that Wheeling prospered in the recovery, funding improvements to every aspect of the Village's infrastructure while encouraging development through the judicious use of business incentives. The result has been a period of growth without parallel in Wheeling's recent history.

We've already seen significant changes along the Dundee Road corridor and elsewhere, and these will continue in the years to come—particularly with the construction of the mixed-use transit-oriented development at Wheeling Town Center, now finally underway. In addition to all the new residential and commercial development along the Village's main thoroughfares, our industrial sector continues to innovate and thrive, with a vacancy rate lower now than it was even prior to the recession.

To ensure that our residents see the maximum benefit from all this activity, we've been responsible in our stewardship of tax dollars, putting the Village on firm financial footing and balancing our budgets in both of the last two years. With help from our partners at the state and county level, we've made \$34.7 million in targeted infrastructure improvements—including road, sewer, and water projects that benefit every resident—and we've done it without issuing bonds. We've come up with farsighted solutions to longstanding problems, such as the stormwater utility that will fund flood mitigation projects on an ongoing basis, as well as innovations that will save money while improving efficiency, like our recent agreement to provide police dispatch services for the City of Des Plaines. And we've expanded Wheeling's influence far and wide, both regionally, through our leadership role on the Lake County Stormwater Management Commission and our active participation in nearly every committee of the Northwest Municipal Conference, and internationally, through our ongoing outreach to the Republic of Korea in partnership with the Wheeling-based Korean Cultural Center of Chicago.

All of this was accomplished through collaboration. The Village's partner organizations have all accomplished extraordinary things in the past few years, from the complete renovation of Heritage Park to the just-completed renovation of the Indian Trails Public Library, and we're honored to have helped with these projects whenever possible. Many of the biggest challenges I faced as Village President—the intersection improvements on Dundee Road, the establishment of new and effective tax increment financing districts, and the updating of our agreement with the City of Prospect Heights for the operation of Chicago Executive Airport—involved complex coordination between stakeholders, and it's no coincidence that these are also the achievements that may have the greatest long-term benefit to our community.

The most important collaborations I've had during my time as Village President, of course, have been with the Village's dedicated and professional staff, and with my fellow elected officials. I'd like to express my gratitude to Village Manager Jon Sfondilis, Village Trustees Ken Brady, Mary Krueger, Ray Lang, Mary Papantos, Joe Vito, and Dave Vogel, Village Clerk Elaine Simpson, former Trustees Bill Hein and the late Bob Heer, former Village President Judy Abruscato, and to the Village's many current and former volunteer commissioners. Without their support, the successes the Village has enjoyed during my term would not have been possible.

In closing, I'd like to offer my sincere congratulations and best wishes to incoming Village President Patrick Horcher, and also to Clerk Simpson and Trustees Brady, Krueger, and Papantos, the Village officials who won reelection on April 4; thanks are due as well to Lee Waller for his campaign for Village Trustee. Although we have differences of opinion, we are all united by our love of Wheeling, our mutual recognition of the importance of public service, and our willingness to work for a bright future. Although I'm leaving office, I and my family look forward to maintaining our active involvement in the civic life of Wheeling. We love this community, we're proud to make our home here, and we're excited to continue working with our neighbors to make it the best it can be. Thank you again,

A handwritten signature in black ink, appearing to read "D. Argiris", written over a faint background of a large number "2".

WELCOME TO WHEELING

The Clerk's Corner

Wheeling Garden Club Plant Sale

Now that spring is here, it is a good time to start thinking of adding plants to your garden. The annual Wheeling Garden Club plant sale is Saturday, May 20 from 8 a.m. to noon. The sale will be held in the circle drive—the area along Dundee Road—at Saint Joseph the Worker church. There are many plants available that have been grown by members of the club. To celebrate the Club's 20th anniversary this year, members have created an attractive bag to give away with every purchase of \$25 or more. For further information, please call Kathy Pico at 847.541.6783.

Village Clerk
Elaine E. Simpson

Spring Events

The Senior Pavilion Foundation will be having their annual Hamburger Fest on Tuesday, May 23 at 5 p.m. at the Senior Center. For further information, please call Judy Abruscato at 847.541.8783.

The Wheeling Historical Society will have a presentation given by Tara Cajacob of the University Club of Chicago on "The Chicago Poison Banquet," about a dinner in 1916 for the new Roman Catholic archbishop George Mundelein, where 300 guests were poisoned by spiked soup. This interesting presentation will take place on Wednesday, June 28 at 6:30 p.m. and will be held at Chamber Park, 131 N. Wolf Road. For further information, please call Joan Wiener at 847.650.0144.

The Wheeling Police Beat is held on the first Wednesday of every month at 7 p.m. at the Police Station. This is a monthly meeting to keep the residents informed about law enforcement in the village.

2017 Consolidated Election Results

Village President

Dean S. Argiris	43.17%	970
Patrick A. Horcher	49.53%	1,113
Mike Kurgan	7.3%	164

Brought to you by the
Wheeling Board of Health

The Board of Health is looking for residents to volunteer at the Wheeling Community Blood Drives by greeting and escorting donors. This is an opportunity to meet Wheeling residents and help the Wheeling Board of Health provide a nice experience for the donors.

Blood drives are held on the second Wednesdays in March, July, and November; the next blood drive is scheduled for July 12 from 2–7 p.m. You may opt to volunteer for the whole day or for whatever hours you can give.

If you are interested in volunteering, please contact Health Officer Beverly Slaby by calling her at 847.499.9045 or emailing her at bslaby@wheelingil.gov.

Wheeling Walks 2017

Join our community walking/running club and improve your health one step at a time—it's easy, fun, and FREE! Wheeling Walks meets every Saturday at 9:30 a.m. at the Heritage Park Performance Pavilion. All ages are welcome, so bring the whole family. Dogs are allowed too!

To commemorate the first year of providing this program, anniversary celebration activities will be announced and posted in the near future. We hope you will join us and start a fun way to improve your health!

Wheeling Walks is offered by the Wheeling Park District in cooperation with the Wheeling Board of Health. For more information, please call 847.465.3333.

HUMAN SERVICES DEPARTMENT

Programs at the Wheeling Pavilion Senior Center

To register for any of these events, contact the Senior Center at 847.459.2670.

Meet & Mingle Pizza Party

Enjoy an evening of camaraderie, conversation, and pizza. Pizza dinner is included in the cost of this event.

Date: May 2, 2017, 4:30 – 6:30 p.m.

Place: Senior Center

Cost: \$5

Cinco de Mayo Celebration

Join us for a celebration of Mexican-American freedom and democracy. Dave Byron will provide entertainment after lunch.

Date: May 5, 2017, 11:30 a.m.

Place: Senior Center

Cost: This event is part of our Lunch at Pavilion program. The suggested donation for the lunch is \$4 per meal. No one will be turned away for inability to donate.

Patty Waszak Show at White Fence Farm

The Patty Waszak show is a high-energy, heartwarming show featuring a wide variety of music including big band favorites, polkas, country music, show tunes, patriotic music, '50s and '60s rock 'n' roll, '70s disco, hits of the '80s and '90s, and more! This trip includes the famous White Fence Farm chicken lunch, round-trip transportation, and the show.

Date: May 16, 2017; depart Senior Center at 10:15 a.m.

Place: White Fence Farm in Romeoville, IL

Cost: \$66 members / \$81 non-members

Rules of the Road

The Wheeling Pavilion Senior Center will be offering a Rules of the Road class in preparation for the test. Come and refresh your memory so you can “ace” your exam!

Date: May 17, 2017, 10 a.m. – 12 noon

Place: Senior Center

Cost: Free, but advanced registration is required.

Relativity at Northlight Theatre

In this production, a reporter interviews Albert Einstein about his past, revealing shocking secrets about his family and his personal life. Unexpected answers lead to the question: to be a great man, does one first need to be a good man?

Date: May 24, 2017; depart Senior Center at 12:15 p.m.

Place: Northlight Theatre, Skokie, IL

Cost: \$55 members / \$70 non-members

Chinatown

Join us for a day in Chinatown in downtown Chicago, beginning with a guided walking tour of the area followed by lunch. After lunch enjoy time to browse the shops on your own.

Date: June 9, 2017; meet at Senior Center at 9 a.m.

Cost: \$54 members / \$69 non-members by May 15; \$59 members / \$74 non-members May 16 or later if space is available.

Opera in Focus

Enjoy an amazing performance by the Opera in Focus “actors and actresses” featuring selections from *Norma*, *L'elisir D'Amore*, *Pops at the Puppet Opera* (including a collection of timeless songs from classic moments in cinema) and excerpts from *Sweeney Todd*, *Cats*, and *Les Miserables*.

Date: June 14, 2017; depart Senior Center at 3 p.m.

Place: Rolling Meadows, IL

Cost: \$19 members / \$34 non-members by May 25, 2017

Let's go to the Hop

Time travel back to the '50s as we enjoy music from this era performed by Renee Hein and Dave Byron. This outing includes a delicious chicken and corn fritter lunch, followed by a musical journey back to the days of malt shops, poodle skirts, and saddle shoes.

Date: June 23, 2017; depart Senior Center at 9:45 a.m.

Place: White Fence Farm in Romeoville, IL

Cost: \$57 members / \$72 non-members by May 26, 2017

Lunch at Pavilion

Join us for a great meal and great friends at Lunch at Pavilion. NEW menu selections, restaurant atmosphere, table service—you can't beat it! The Wheeling Pavilion Senior Center hosts meal service for anyone 60 years and better. A nutritionally balanced lunch is served Monday–Friday from 11:30 a.m. until 12:30 p.m. Reservations are required. Social activities and informational programs are included as part of this program. Each diner will receive information regarding the cost of the meal and will have the opportunity to contribute to part or all of the cost. The suggested donation is \$4. For our frequent diners, we have a five-meal punch card available for a donation of \$15. These cards have no expiration date. Cards are available at the Wheeling Pavilion Senior Center front desk. The Lunch at Pavilion program is committed to providing meals to all adults 60 and better, regardless of ability to pay. Funds for this program are provided through an award from AgeOptions through the Federal Administration on Aging. Lunch at Pavilion is pleased to announce our new caterer, Hoffman House, Inc. of Batavia.

Lunch to Go! Lunch at Pavilion participants may order additional meals to take home for a spouse or for use over the weekend. For more information regarding how to register or volunteer, please contact the Wheeling Pavilion Senior Center at 847.459.2670 and ask for Jesus Delgado.

POLICE & FIRE DEPARTMENTS

Keeping Summer Fun & Safe

Summer is a time for family gatherings, barbecues, and vacations, but it is also a time of increased fires, accidents, and injuries. Protect yourself and your family by exercising some caution and following these general safety tips:

•**Barbeque grills:** Keep grills at least ten feet away from your home and never use on a wooden deck or balcony. Make sure all gas hose lines and fittings are in good condition and properly connected before igniting a gas grill. If you smell gas, immediately shut-off the burners and step away from the grill. To start charcoal, use only charcoal lighter fluid, never gasoline. Never re-apply lighter fluid to already warm or hot charcoal since the vapors can suddenly flash back toward you. Always allow charcoal ash to cool completely for a minimum of two days before disposing in an outside metal container.

•**Backyard fire pits:** Since fire pits are open flames, they need to be kept even farther away from your home: a minimum of 15 feet. Fire pits must be contained to prevent stray embers from traveling and potentially igniting nearby items. Have a garden hose or bucket of water nearby in the event of a stray ember. Only use seasoned, clean, dry wood in a fire pit. The burning of landscape debris, construction debris, or garbage is strictly prohibited by Village ordinance and can result in citations and substantial fines.

•**Playsets and trampolines** result in more than 100,000 injuries every year nationwide. Place these items in a large, wide-open space far away from fences, posts, patios, decks, and overhead electrical wires. Make sure they are properly anchored to the ground in accordance with the manufacturer's recommendations and routinely re-check for damage and/or wear. For trampolines, use mesh enclosures and limit usage to one jumper at a time. It is important to supervise small children at all times.

•**Lawn mowers:** Only add gasoline to a lawn mower while outside in an open, well-ventilated area. Never dispense gasoline inside of your garage or re-fill a lawn mower until it is shut off and the motor has cooled down for a minimum of 15 minutes. Never cut your lawn in bare feet or with open toed shoes (i.e. sandals). Always wear sturdy, closed-toed shoes, eye protection, and hearing protection. Before starting to cut your lawn, walk your entire yard to make sure it is clear of toys, pet chains, loose objects, or debris which could be caught up and ejected by the lawn mower. If you experience a jam, never attempt to remove it while the lawn mower is running; shut down the lawn mower and exercise extreme caution. Never leave an unattended lawn mower running, and teach your children to stay away while you are using a lawn mower.

•**Pedestrians & bikers:** Children and adults will be staying outside later in the evenings. Drive very slowly within residential areas and be prepared to stop suddenly due to children running out into the street or those who may be riding their bicycles in the dark. Remind children to look both ways before crossing or going out into the street. Always use battery-powered headlights and taillights, as well as wear reflective or lightly-colored clothing and a helmet when riding a bicycle at night.

•**Extreme heat:** It is important to stay properly hydrated and beware of the risks of heat exhaustion and heat stroke. Heat exhaustion is simple dehydration, profuse sweating, muscle cramps, and lightheadedness. It's easily managed by getting into a cool/shady place, resting, and drinking plenty of cool water. Heat stroke is dry hot skin, flushed or red appearance, severe nausea and vomiting, altered mental state, rapid heartbeat, rapid breathing, as well as fainting or passing out. Heat stroke is a life-threatening situation and requires immediate medical attention by calling 9-1-1.

Don't Be the Victim of a Telephone Scam!

Wheeling Police Crime Prevention Officer Scott Laverd has recently taken on the tough task of alerting residents to potential scams associated with the purchase of gift cards and money wires. You may have noticed red stop signs posted at local Wheeling stores asking if you're purchasing a gift card or wiring money because a utility company or the IRS has threatened you over the phone, or you received a call that a loved one is hurt or in jail. Officer Laverd has placed these signs around town because these are common scare tactics used by scammers to get your money. The goal of the stop signs is to reach consumers at the point of purchase and get them to stop and think about why they're making the purchase before making it. Once the money is gone, there is very little chance of getting it back. As the sign states, "Ask Yourself: Have you ever paid one of these bills with a gift card, Western Union, or MoneyGram? If not, it might be a scam." If you think you have been a victim of a scam, or need help, call the 5 Wheeling Police Department at 847.459.2632.

COMMUNITY DEVELOPMENT & PUBLIC WORKS

Wheeling Wildlife Tips

The Village of Wheeling has an abundance of wildlife, and in most instances, people and wildlife can co-exist. It is not uncommon for raccoons, skunks, coyotes, rabbits, and waterfowl to travel the neighborhoods during nighttime. It is also not uncommon to encounter wildlife in your yard or while you are out walking through the village. Changes in habitat and the different seasons will cause fluctuations in wildlife population and travel.

Guidelines for wildlife encounters:

- Please do not feed wildlife
- Do not handle orphaned offspring or sick wildlife
- Do not try to approach or corner wildlife
- Secure all trash in garbage cans with the lid closed tightly

Feeding wild animals will cause them to discontinue foraging, making them dependent on human interaction. Further, human food is not appropriate nutrition for wild animals: it can cause them to become sick and sometimes starve to death. Lastly, wildlife may become unafraid of humans, increasing the risk of inappropriate human and wildlife contact.

Remedies for wildlife control:

- Grubs: Removing this food source should deter the presence of feeding wildlife. Try Murphy's Oil or dish detergent mixed with water in a spray bottle. Spray over grub-infested areas.
- Ground burrows: Ammonia-soaked rags work well to vacate an unwanted visitor. Soak the rags and toss them in the burrow. Once the animal has vacated, pound rebar into the ground by the entrance and fill in the hole to prevent rehabilitation.
- Raccoons in attics: Keeping a light and radio running for days will do the trick to vacate unwanted wildlife in the attic. Repairs to openings must be made to discourage new infestations.
- Animals in yard: The Scarecrow is an automatic sensory sprinkler that attaches to a regular garden hose. It detects movement and sends out a blast of water, scaring away all wildlife, including feral cats.

In Cook County, the law states that if you feed feral cats, you are required to trap, neuter, and return (TNR) them. For referrals to organizations that remove wildlife, or for more information on TNR, please contact Community Development at 847.459.2620. Additional information about TNR is also in this newsletter on page 9.

Annual Hydrant Flushing

The Village of Wheeling Utility Division will be flushing hydrants throughout the Village from April 30 through May 15, weather permitting. During this time, hydrant flushing will occur between the hours of 7 a.m. and 3:30 p.m. and will continue until all the portions of the water distribution system are completed. Signs will be posted throughout the Village while hydrant flushing is underway.

Flushing is an important preventative maintenance process and is undertaken to remove particulate matter and corrosion from the system. Residents may notice slightly lower pressure and discoloration of their water throughout the duration of the program; however, the water will be completely safe to drink. Residents are advised to check the color of the water before beginning laundry to prevent any staining.

6 Should any resident have concerns regarding the flushing program, they may contact the Utility Division at 847.279.6900.

Parkway Tree Planting

The Village of Wheeling, through contractor Pugsley and La Haie Ltd., will be planting parkway trees in May, weather permitting. Through this program, and to maintain a diverse urban forest, a variety of species have been selected for planting.

Newly planted parkway trees will receive a Treegator water bag that will assist residents in watering the tree and promoting its growth. Watering is key to a new tree's survival, and it is especially important to keep newly planted trees watered for the first year after planting.

Treegator water bags hold approximately 15 gallons of water and release water through small holes that slowly drain the bag within five to nine hours. Residents will need to fill the Treegator water bag with water once a week throughout spring and summer, and should remove the bag in autumn.

Do You Need a Permit?

Before you build or remodel structures within the Village, it is likely you will need to obtain a permit. The Building Division is involved from the plan review process through the final onsite inspection to make sure building and remodeling projects comply with current life-safety building codes. Permit forms are available on the Village's website. If you are unsure whether you are required to have a permit for work on your property, please inquire through Community Development at 847.459.2620.

Home improvements requiring a permit:

House addition or remodeling	Fireplace
Window/Door replacement (with size change)	Alarm system
Stoop replacement	Garage
Gazebo electrical or plumbing work	Shed
Central air conditioning	Furnace
Driveway/Sidewalk/Patio	Lawn sprinkler
Pool/Spa/Hot tub	Deck/Porch
Water heater replacement	Sewer repair
Roofing/Siding	Fence
Satellite dish	

Low-Cost Spay & Neuter Program

Feral Feline Project (FFP) is a local not-for-profit organization dedicated to humanely reducing the outdoor cat population by applying Trap Neuter Return (TNR). Millions of feral and friendly cats are euthanized each year due to too many kittens being born or not being adoptable. TNR is a safe and humane way of limiting the litters of kittens born in the wild and reducing the population of feral cats. The TNR program is approved for any resident living within the Cook County limits.

FFP can rent you safe and humane traps and provide instruction on how to use them. Once the cats are in the traps, they are brought to a participating local veterinarian to be spayed/neutered and vaccinated, then safely returned to their colony. Spay/neuter and TNR packages are available for indoor/friendly and outdoor/wild cats (low-income only for pet cats). The price varies from \$25-\$65 per cat relative to funding and transportation. This includes the exam, spay/neuter, rabies vaccination, flea and tick treatment (left eartip only for feral cats) and microchip.

Want to become a registered caretaker so you can legally feed outside cats? Visit www.feralfelineproject.org or contact FFP for more information at feralfelineproject@gmail.com or 847.800.0095 (leave a message).

Feral Feline Project is a 501c3 not-for-profit organization and is not affiliated with nor receives any donations or benefits from local, state, or municipal governments.

Residential One-Day Electronic Recycling & Document Destruction Event

On Saturday, May 13, the Village of Wheeling is hosting a combined recycling event at Public Works, 77 W. Hintz Road, from 9 a.m. to 12 p.m. only. Residents from Wheeling and other SWANCC communities are eligible to participate. Materials will not be accepted from businesses, schools or institutions, or non-SWANCC residents; ID's will be checked for verification of residency.

Electronic Recycling

Acceptable electronic items include: answering machines, cable receivers, calculators, camcorders, cameras, CD and DVD players (no disks), cell phones, computer cables, computer monitors, computers (desktop, notebook, tablet), converter boxes, copy machines, fax machines, microwaves, mice, keyboards, MP3 players, portable digital assistants (PDAs), postage machines, power tools and cords, printers, satellite receivers, scanners, shredders, small home appliances (toasters, blenders, etc.), stereo equipment (no wood), landline telephones, televisions (no wood), typewriters, video game consoles, video recorders/players (no VHS tapes) and zip drives. *Dehumidifiers, humidifiers, air conditioners, vacuum cleaners, refrigerators, and other large home appliances are not acceptable.*

Document Destruction

For document destruction, residents may bring residentially generated paper, such as medical records, tax forms, bank statements, etc. for shredding. There is a limit of six file-size boxes or paper bags per vehicle. No plastic bags. Papers must be free of contamination such as metal clips, plastic sleeves, folders, and binders. Documents will be placed in a toter and, once toters are full, loaded into a shredding truck onsite. The paper will be cross-shredded, baled and recycled.

Due to safety, amount of vehicles, and space constraints at this event, residents will not be allowed to exit their vehicles for any reason or park to observe documents be shredded.

Please contact Public Works at 847.279.6900 with any questions, or for additional electronic and document destruction events scheduled by SWANCC, or visit www.swancc.org.

COMMUNITY NEWS & EVENTS

Chicago Executive Airport

The Chicago Executive Airport—jointly owned by the Village of Wheeling and the City of Prospect Heights—will hold its annual joint meeting June 28 at the Westin Hotel, 601 N. Milwaukee Ave beginning at 7 pm. A discussion about airport issues will take place between members of the Airport Board of Directors and officials of the Village of Wheeling and the City of Prospect Heights. This meeting is open to the public.

CHICAGO EXECUTIVE AIRPORT

Noise Committee Meeting

March 1, June 7, September 7 & December 6

6 PM meetings held at the airport office - chiexec.com for updates

CHICAGO EXECUTIVE AIRPORT

Chicago Executive Airport's noise hotline is active 24 hours a day, seven days a week to report a noisy airplane or just ask a question. Call us at 847-537-2580, ext. 117 or e-mail us at marm@chiexec.com

SAVE THE DATE!

~Saturday, July 1, 2017~

Please join the Village of Wheeling, the City of Prospect Heights, and Chicago Executive Airport at this year's community fireworks event, **Rock 'n' Run the Runway**, held at Chicago Executive Airport. The day will start with a 5K run in the morning, and resume with food trucks, live music from nationally renowned band 7th Heaven, and fireworks in the evening.

Visit www.rocknruntherunway.com for more details.

Watering Restrictions

To further water conservation efforts, the Village of Wheeling has implemented an even-odd address watering restriction in effect May 15 through September 15.

- Residents with street addresses that end with an even number (0, 2, 4, 6, and 8) can only water on even-numbered calendar days.
- Residents with street addresses that end with an odd number (1, 3, 5, 7, and 9) can only water on odd-numbered calendar days.
- Watering is prohibited for all properties from 12 p.m. to 6 p.m. every day.

The watering of newly laid sod is permitted at any time and on any day upon the issuance of an appropriate permit and for a time not to exceed two consecutive weeks.

Residents may contact the Department of Community Development at 847.459.2620 with any questions.

Show us Wheeling through your lens!

The Village is seeking resident photos to be used for the cover of *The Wheeling Circular*. Photos should:

- be taken outdoors and show the season in which they were taken
- not include people
- not include any business signs and/or logos
- be in jpeg, gif, or png format

Please send your photos to fb@wheelingil.gov. Photos chosen for the cover will include a credit to the photographer.

WE ARE HERE TO SERVE YOU!
