# WELCOME TO WHEELING

## From the Desk of President Horcher

President  
Pat Horcher

On behalf of the Board of Trustees, I'd like to wish you a very happy 2018! We're honored to have the opportunity to represent you, and we're looking forward to another year of working toward the betterment of Wheeling.

We'd like to thank everyone who joined us in Friendship Park for Lights Around Wheeling, our annual holiday lighting ceremony. It's always a pleasure to celebrate the season with our residents, and we're also grateful to State Senators Julie Morrison and Terry Link and State Representatives Carol Sente and Jonathan Carroll for participating in the event. This year the lights were turned on by Wheeling resident Kathy Pico, who received the 2017 George Hieber Citizenship Award in recognition of her leadership and exemplary volunteerism.

As always, the Village is working to foster economic development that benefits residents and promotes the financial health of the community. The last months of 2017 saw significant progress in that area, with the Plan Commission reviewing two significant components of the Wheeling Town Center development: a drive-through Starbucks to be located along Dundee Road, and City Works Eatery & Pour House adjacent to the Village Green. As passersby have surely noticed, construction of the residential units at the development is well underway.

On Northgate Parkway, Wheeling Distribution Center—Hamilton Partners' 181,000-square-foot speculative industrial facility, the first such project to be built in Wheeling in over 20 years—is now complete. The facility is expected to accommodate between one and three corporate tenants, and is suitable for warehousing, distribution, logistics, or manufacturing uses. Construction of a second speculative industrial development is in progress on Chaddick Drive, which testifies to the vitality of Wheeling's industrial sector.

The Village conducts aggressive promotional campaigns to spread the news around the country—and even around the world—that Wheeling is a great place to do business. I recently had the opportunity to meet with Naoki Ito, the new Consul-General of Japan in Chicago, to discuss matters of mutual interest. Japanese-owned facilities, including several in Wheeling, currently employ approximately 44,000 Illinoisans, and Illinois exports to Japan are estimated at over \$2 billion annually. I also met with Jong Kook-Lee, the Consul-General of the Republic of Korea in Chicago, to discuss ongoing exchanges with Korean communities facilitated by the Wheeling-based Korean Cultural Center of Chicago. The Village looks forward to more productive exchanges with representatives of both nations.

On a bittersweet note, the end of 2017 also marked the end of a beloved Village institution: the Wheeling Pavilion Senior Center on First Street. After over 30 years of service, the building was no longer able to meet the needs of our growing

senior population. The Village and the Wheeling Park District have now integrated their senior services, and almost all Senior Center programming is now hosted at the state-of-the-art Community Recreation Center (CRC); the only exception is the popular Lunch at Pavilion program, which will be hosted temporarily at the Saint Joseph the Worker Social Hall until planned renovations to the CRC are complete. The Village is grateful to our friends at the Park District for their partnership during the transition and looks forward to continuing to serve to Wheeling seniors at this new location.

Construction progresses on the Wheeling Town Center, with the first residential building well underway.

I'm looking forward to providing additional updates in the year ahead! I hope it proves to be a safe, prosperous, and enjoyable one for you and your loved ones.

2 *Happy New Year from the Wheeling Village Board!*

# WELCOME TO WHEELING

## The Clerk's Corner

Village Clerk  
Elaine E. Simpson

### Thank You Wheeling Businesses & Residents!

I would like to thank residents for going out of their way to help their friends and neighbors during the holiday season. This past year residents helped by donating money to the Operation Warm coat drive sponsored by the Fire Department, as well as to the Shop with the Cops event sponsored by the Police Department, and to Wheeling Helping Hands, a not-for-profit organization raising funds for Wheeling's public safety departments. Thank you for all you do to make Wheeling a caring community.

### Lollipop Lane

Each year I am amazed at the people who come out to Lollipop Lane: grandparents, parents, and children all enjoy the wonderment of this event. Many parents tell me that they came as children, and they are now bringing their own families. Seeing faces light up at the sight of Santa and the wonderland that is presented to them is a special treat every year. Thank you to the Wheeling Historical Society, the Wheeling Park District, Stasek Chevrolet, and the many volunteers for making this possible. Because of these sponsors, attendees were able to have pictures taken of their children or family at no cost. This is a tradition that should not fall by the wayside.

### Winter Weather Reminder

Though our winter has been mostly mild so far, I would like to remind everyone to check on your neighbors during this time of year. In my neighborhood, the residents make a point to check up on each other regularly, and I am very grateful for this. One sign that a neighbor may be having an issue is if newspapers are piling up in their driveway or the garbage is not set out on the correct day. Take an extra few minutes to check in with your neighbors and do what you can to help out during these cold winter months.

Village offices will be closed Monday, January 1 in observance of New Year's Day and Monday, February 19 in observance of Presidents Day.

Brought to you by the Wheeling Board of Health

## Medication/Sharps Collection

Wheeling provides a medication and sharps collection for all residents. Collections are held on the third Saturday of every month from 10 a.m. until 12 p.m. in front of the Police Station at 1 Community Boulevard. We accept:

- Prescription and over-the-counter medications in their original containers. No over-the-counter liquid medications will be accepted. We cannot accept any controlled substances. Visit [www.swancc.org](http://www.swancc.org) for a list of all controlled substances.
  - ◆ Keep pharmaceuticals in their original containers with labels to identify contents.
  - ◆ Use a permanent marker to cross out your name and other personal information.
- Sharps (needles and syringes) in rigid containers with a sealed lid. Sharps containers will be handed out at the collection and are available at the Community Development Department at Village Hall or at the Fire Station on Milwaukee Avenue.

We also accept the following:

- Household and rechargeable batteries. No automotive batteries will be accepted. Each rechargeable battery must have masking tape on contact points or be contained in an individual self-locking plastic bag.
- Glasses, including eyeglasses, sunglasses, and telescopic, magnifying, and prescription glasses. Children's glasses are especially needed and will be given to a program called "Recycle for Sight" which refurbishes eyeglasses for those in need.

**\*IF THERE IS A WINTER ADVISORY ON THE DAY OF A MEDICATION/SHARPS COLLECTION, THE DROP-OFF WILL BE CANCELLED AND NOT RESCHEDULED.**

No one will be available to accept the medications or sharps; do not leave items at the Police Department.

Contact Health Officer Serena Klinger at 847.499.9048 if you have any questions.

# HUMAN SERVICES DEPARTMENT

## Seasonal Affective Disorder

Seasonal affective disorder (SAD) is a type of depression that usually occurs in winter. People who live in places with long winter nights are at high risk of developing SAD. Symptoms usually build up slowly in the late autumn and winter months, and are often the same as with other forms of depression: hopelessness, increased appetite with weight gain, increased sleep, less energy and ability to concentrate, loss of interest in work or other activities, sluggish movements, social withdrawal, unhappiness, and irritability.

### Managing Your Depression

- Get enough sleep.
- Eat healthy foods.
- Take prescribed medications the right way; ask your provider how to manage side effects.
- Learn to watch for early signs that your depression is getting worse, and have a plan if it does.
- Try to exercise more often and do activities that make you happy.
- DO NOT use alcohol or illegal drugs; these can make depression worse and also cause you to think about suicide.
- Talk about how you are feeling with someone you trust; try to be around people who are caring and positive.
- Volunteer or get involved in group activities.
- Your provider may prescribe light therapy, which is the use of a special lamp with a very bright light that mimics sunlight.

If you are struggling with Seasonal Affective Disorder or other mental health issues, we invite you to call the Village of Wheeling Human Services Department at 847.459.2606 for confidential information and referrals for local resources to help you. Help is just a phone call away.

## Wheeling Senior Programming Relocation

As you may already know, the Wheeling Pavilion Senior Center has transitioned its programming to the Wheeling Park District Community Recreation Center (CRC). Many of our regular weekly programs are now held at the CRC. Please call the Wheeling Pavilion Senior Center at 847.459.2670 to find out more about the programs and schedule of events. We are excited and grateful to the Wheeling Park District for welcoming us into their home and making us feel comfortable. If you are a regular at the CRC and are not yet familiar with our programs, check us out. We offer many opportunities to socialize and stay healthy. Pavilion program newsletters are available at Village Hall and the CRC, and are always available on the Village website at [www.wheelingil.gov/150/Senior-Services](http://www.wheelingil.gov/150/Senior-Services).

## Senior Services Programs

*To register for any of these events, contact the Senior Center at 847.459.2670.*

### Myths and Facts about Bereavement

As we all know, there is no one "right" way to grieve. This program will identify the truths of moving toward grief, everyone's own individual "timeline," the strength of tears, and how grief and mourning are different.

Date: Monday, January 22 after Lunch at Pavilion

Place: St. Joseph the Worker Social Hall

### Grand Victoria Casino

Take a break from the winter blues and try your luck at the slots and table games at Grand Victoria Casino in Elgin. Enjoy their delicious buffet lunch (at your expense).

Date: Wednesday, January 31

Time: Meet at the Community Resource Center at 10 a.m.

Cost: \$16 residents/\$21 non-residents by January 5, 2018;

4 \$21 residents/\$36 non-residents until all spaces are full.

### RTA Presentation

This presentation will focus on ways to make travel on the RTA easier and more efficient for passengers. Special tips will be given to help make public transportation more accessible for people with disabilities.

Date: Thursday, February 1 after Lunch at Pavilion

Place: St. Joseph the Worker Social Hall

### Joseph and the Amazing Technicolor Dreamcoat

The classic story of Joseph is paired with exuberant music featuring favorites such as "Close Every Door," "Go, Go, Go Joseph," "Any Dream Will Do," and many more. The cost of this trip includes transportation, lunch, and the performance.

Date: Thursday, February 22

Time: Meet at the Community Resource Center at 10:15 a.m.

Place: Drury Lane Theatre

Cost: \$82 residents/\$97 non-residents

# POLICE & FIRE DEPARTMENTS

## Stay Safe in the Cold!

With the holidays behind us and winter upon us, it is easy to “hibernate” and become complacent, but winter can be one of the most dangerous times of year. Due to weather conditions, winter is the time of year with the most home fires, vehicle accidents, and slips, trips, and falls. By taking some general precautions, you and your family can avoid becoming a statistic, while still enjoying the season.

- **Fire Hydrants:** Help us to protect you, your family, and your neighbors by “adopting” the closest fire hydrant to your home. Snow is part of winter, and it can cause fire hydrants to become hidden. After each snow event, please clean off your fire hydrant and keep the area surrounding it clean. There are more than 1,800 fire hydrants within the community, and it’s impossible for Village staff to keep up with removing snow from each fire hydrant following a snow event.
- **Snow Blowers:** While using snow blowers, do not wear loose hanging clothing which can become caught in the moving parts. When refueling, let the engine cool for several minutes before pouring gasoline into the fuel tank. Also, don’t refuel snow blowers inside your garage or shed; spilled gasoline can be ignited by contact with hot metal on the snow blower’s engine. Make sure to keep others—particularly young children and pets—out of the immediate area when snow blowing. Snow blowers can eject pieces of ice, rocks, or concrete at a high rate of speed, which can result in serious injuries.
- **Snow Plows:** Please teach your children to stand back by your front porch whenever the snow plows are passing by. Due to snow piles near the end of the driveway, drivers may not be able to see small children playing near the street. As snow plows move on by, they push snow, slush, and sometimes hidden debris back towards your house. Much like a snow blower, if this mixture was to strike you or your child, serious injuries could occur.
- **Fireplaces:** Fireplaces should be professionally cleaned and inspected annually. It’s important to make sure the flue is open at all times when burning or when there are hot embers present; this allows carbon monoxide to properly vent out of your home. Never use a fireplace without a protective screen in place, particularly with young children or pets in your home, and never leave your fireplace burning when you are not present in the room. Only use well-seasoned firewood to avoid excess smoke and popping of sparks and embers. When you are done with your fire, do not place ashes in a trash can (inside or outside of your home) for a minimum of 48 hours after you have completed burning.

## Crime Prevention Safety Tips

### Protecting Yourself

- ~Stay alert and aware of your surroundings.
- ~Stay off your cell phone while out in public.
- ~Beware of strangers approaching you for any reason.
  - ~Avoid carrying large amounts of cash.
  - ~Pay for purchases with credit cards.
- ~Move wallets to front pockets and carry purses under your arm.
- ~Don’t overburden yourself with packages; keep a free hand.
- ~Consider having your purchases delivered and signed for upon delivery.
- ~Keep your keys readily available as you approach your car.
- ~Check your car before entering it, looking inside and look around you.
  - ~Hide and lock packages in trunk.
  - ~Keep vehicle windows and doors locked at all times.
  - ~Do not leave your car running with the keys in the ignition.

### Protecting Your Home

- ~Lock doors and windows.
- ~Don’t run extension cords through unlocked windows or doors.
- ~Don’t throw out boxes for expensive items where everyone can see.
- ~Don’t hide keys outside; instead, leave a key with a trusted neighbor.
- ~Don’t advertise an empty home: put lights on a timer, turn a radio/tv on, stop mail delivery, have a neighbor put garbage out.
- ~Don’t post the fact that you are on vacation on social media.

# COMMUNITY DEVELOPMENT & PUBLIC WORKS

## Snow Season Procedures

Public Works personnel are preparing for snow control with salt deliveries, vehicle preparation, and year-round training. Snow and ice responsibilities include de-icing and clearing arterial, collector, and residential roadways, certain sections of public sidewalks, bus stops, the train station, and Village-owned buildings and properties.

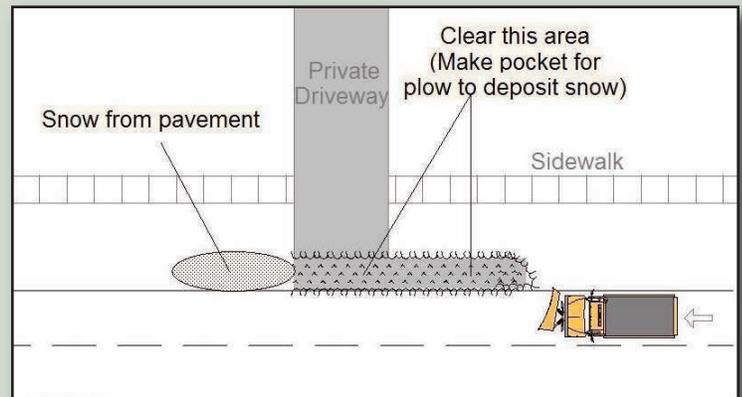

Public Works is not responsible for the maintenance or snow control on county- or state-owned roadways or rights-of-way. These roadways include:

### Illinois Department of Transportation (IDOT) 847-705-4222

- Dundee Road (Route 68)
- Elmhurst Road (Route 83)
- Milwaukee Avenue (Route 21)
- McHenry Road (Route 83)
- Palatine Road
- Wolf Road (Manchester North to Milwaukee Avenue; South of Marquardt to Camp McDonald Road)

### Cook County Highway Department 847-827-1164

- Lake-Cook Road
- Schoenbeck Road
- Hintz Road
- Camp McDonald Road
- Buffalo Grove Road
- Old Buffalo Grove Road
- Aptakisic Road

### Driveway Snow Shoveling Recommendations

When shoveling snow at the end of a driveway, place the snow to the right of the driveway (as you face the street) to avoid the snow being pushed back onto the driveway by a snowplow truck. Also, clear a few feet at the edge of the street and curb to the left of the driveway (as you face the street). This will help reduce the amount of snow at the end of the driveway. Refer to the illustration above.

### Residents are advised of the following safety tips during the snow season:

- Stay 100 feet or more behind a snowplow or salt truck.
- Shovel snow away from fire hydrants near your property for emergency access.
- Do not place refuse, refuse containers, or any other items in the street.

### Vehicle Parking Restrictions

- Do not park on any Village street within eight hours after a snowfall of two inches or more to allow safe and efficient snow and ice control by Public Works.
- Vehicles in violation of this restriction may be towed by the Police Department.
- For additional information, contact the Wheeling Police Department at 847.459.2632.

### Sidewalk Requirements

- Residents and property owners are responsible for clearing snow and ice from sidewalks adjoining or adjacent to their property by 10 a.m. the day after a snowfall. Property owners are permitted to spread sand, salt, or other substances made for the purpose of melting snow and ice on sidewalks.
- Residents and property owners shall not deposit snow or ice onto any roadway within the Village; instead, deposit snow and ice onto the parkway.

For additional information, contact Community Development at 847.459.2620.

## Electronic Waste Recycling

With new electronics received during the holiday season replacing used or outdated ones, it is important to dispose of unwanted electronics properly. In Illinois, electronic waste is not permitted to be placed in landfills due to toxic materials that can infiltrate and pollute groundwater supplies.

For appropriate recycling of electronic waste at no cost, Wheeling residents with identification can transport electronics to a year-round drop-off location owned and operated by the Solid Waste Agency of Northern Cook County (SWANCC). A list of acceptable items at this drop-off location is available at [www.swancc.org](http://www.swancc.org).

Glenview Transfer Station  
1151 N River Road, Des Plaines  
Saturdays: 9:00 a.m. – 11:30 a.m.  
847.724.9205  
Closed on national holidays.

## Holiday Tree Collections & Lights Recycling

Non-artificial holiday trees are collected at residential curbsides by Waste Management during the first two weeks in January at no additional charge. Trees that have decorations or are in stands or plastic bags will not be collected.

Residents may recycle holiday lights—including mini, C7, C9, rope, and LED lights as well as extension cords of all colors and lengths—at the Department of Public Works, 77 W. Hintz Road, November 1, 2017 to February 2, 2018, Monday through Friday from 7 a.m. to 3 p.m. Garland, live greens, wreaths, and other non-recyclables are not accepted in this recycling program. Contact 847.279.6900 with any questions.

## You Have the Power!

Ever wonder, “Why and how to recycle?” When you use “**Recycle Often. Recycle Right**” great things happen. Every day we encounter hundreds of recyclable items. By recycling properly, you help materials get to their next best use, which in turns saves tons upon tons of raw materials, time, energy, and expense.

## It’s Time to Rethink Recycling

69% of plastic bottles don’t get recycled. 45% of aluminum cans end up in the garbage. Liquids often spoil a whole load of otherwise recyclable paper. That’s why it’s time to get back to the basics of good recycling. The fact is that some recycling actions make a bigger impact than others. The **Recycle Often. Recycle Right**.<sup>SM</sup> Recycling Rules will help you rethink recycling to make a sustainable impact!

Visit [RecycleOftenRecycleRight.com](http://RecycleOftenRecycleRight.com) to make the promise and become a Recycling Ambassador. Whether you’re a home owner, teacher, city official, business, kid, or a recycling enthusiast, all the information you need to help pass it on is just a few clicks away.

## RECYCLING RULES

1. RECYCLE ALL BOTTLES, CANS AND PAPER
2. KEEP ITEMS CLEAN AND DRY
3. NO PLASTIC BAGS

Certain offenders can slow down the recycling process or even ruin the load.

Make the Promise at [RecycleOftenRecycleRight.com](http://RecycleOftenRecycleRight.com)... and then pass it on.

Participation is Key 

With the help of communities across the country, Waste Management recycled enough material last year to fill 168,819 Boeing 737s.

### Always recycle:

Plastic Bottles & Containers

Food & Beverage Cans

Paper

Flattened Cardboard & Paperboard

Food & Beverage Cartons

### Do NOT include in your recycling cart:

NO Food Waste

NO Plastic Bags & Film

NO Foam Cups & Containers

NO Needles

# COMMUNITY NEWS & EVENTS

## Lunch at Pavilion – NEW LOCATION

Join us for a great meal and great friends at Lunch at Pavilion at a brand NEW LOCATION! The Lunch at Pavilion Senior Congregate Dining Program will now be held at the **St. Joseph the Worker Social Hall, 181 W. Dundee Rd., in Wheeling.** We are grateful to the Wheeling Pavilion Senior Foundation and St. Joseph the Worker for allowing us to dine in such wonderful surroundings!

The Village of Wheeling Senior Services hosts meal service for anyone 60 years and better. A nutritionally-balanced lunch is served Monday–Friday from 11:30 a.m. until 12:30 p.m. Reservations are required. Social activities and informational programs are included as part of this program. Each diner will receive information regarding the cost of the meal and will have the opportunity to contribute to part or all of the cost. The suggested donation is \$4. For our frequent diners, we have a five-meal punch card available for a donation of \$15. These cards have no expiration date. Cards are available at the Social Hall during regular lunch hours. The Lunch at Pavilion program is committed to providing meals to all adults 60 and better, regardless of ability to pay. Funds for this program are provided through an award from AgeOptions through the Federal Administration on Aging. Lunch at Pavilion is pleased to announce our new caterer, Hoffman House, Inc. of Batavia.

## Holiday Solid Waste Collection Reminder

In observance of New Year's Day, January 1, 2018 solid waste collections will be delayed by one day.

## Winter Flood Prevention Checkup

Protect your home and its contents from water damage caused by freezing and thawing by inspecting and maintaining its drainage systems during winter. As snow melts over frozen ground, surface water runoff, gutter drainage, and sump pump discharge can add more water to your drainage system than at other times of the year. Make time to inspect your home to assure flood prevention measures are still in place. Walk around the exterior of your home and inspect the following:

**Grading:** The ground surrounding your home, as well as walkways and driveways, should slope away from your home.  
**Roofs and gutters:** Rooftops should have gutters with downspouts that are extended away from the home's foundation.  
**Window Wells:** Ensure the ground slopes away from the well and the drains located inside are not blocked by dirt or debris.

**Sump Pump Discharge:** If your home has a sump pump, the exterior discharge should be extended away from the home and foundation.

Inside your home inspect the following:

### **Sump pump**

- If water is rising out of your sump pump pit, it is because your sump pump cannot keep up with the flow entering the drain system below your foundation. Please check the conditions noted above. If the problem persists, consider purchasing a larger pump or an additional pump with a separate discharge pipe.
- If the pump is running but no water appears to be discharging, the pump could have a mechanical problem or the outlet pipe could have a blockage. Even ice can block proper drainage. A plumber can be consulted for assistance.

Note: Power outages can be a source of concern during a rain/snow event. A back-up battery sump pump can help alleviate this problem, but only for a short period without supplemental power from a generator. Please keep in mind that routine battery maintenance is necessary to ensure that power is maintained in the event of an emergency.

### **Basement Seepage**

If water is seeping through cracks or joints in the foundation walls or floor, ensure that surface water is being kept away from the home's foundation. If the problem persists, contact a waterproofing professional to have them inspect and appropriately seal the foundation.

10 To be sure you are covered in a flood event, contact your insurance agent now to ask about flood insurance. Because Wheeling is a longtime participant in FEMA's Community Rating System, policy discounts may be available.
