

APPLICATION FOR FLOODPLAIN MAP DETERMINATION

Please read this application carefully and supply all documentation required to assure a prompt response. The Village of Wheeling will make a written floodplain map determination upon completion of this application form, submission of all required documentation, and payment of the fee. This documentation includes the following:

Name of Applicant _____

Title (owner, mortgage co., real estate, etc.) _____

Phone Number _____

E-Mail Address _____

Address of property, if assigned, or location _____

Property Tax Index Number (P.I.N.) _____

Signature of Applicant

Date

REQUIRED ATTACHMENTS:

- Current Survey of Property
- Legal Description
- Topographic Survey (if available)

Upon receipt of the above, a written zone determination will be made based on the current Flood Insurance Rate Map (FIRM) for the Village of Wheeling. The following information will be supplied:

- o Community Number*
- o Map Panel Number*
- o FIRM Suffix and Date of FIRM*
- o FIRM Zone for the property*
- o Base Flood Elevation at the property (in A0 zones, the base flood depth will be indicated)*
- o Elevation Datum used on the FIRM*
- o Floodway location & requirements for development*
- o Historic flooding information (if available)*
- o Potential flooding sources*
- o Other problems not shown on FIRM*

If you have any questions, please contact Engineering Division by calling 847-279-6910.
