

## **AIRPORT MAINTENANCE TECHNICIAN**

Chicago Executive Airport seeks qualified applicants for the position of Airport Maintenance Technician. This position performs a variety of semi-skilled and/or skilled tasks as it relates to the maintenance and security of the Airport such as the airfield, perimeter fencing, T-hangars and Administration Building.

Must possess a valid motor vehicle operator's license as issued by the Illinois Secretary of State. High school diploma or equivalent required. Previous experience in electrical system maintenance, construction work, snow removal and the ability to operate various types of maintenance equipment is desirable. Mandatory overtime during the winter months and special events.

For additional information and application, visit the Airport's website at [www.chiexec.com](http://www.chiexec.com)  
Send application, resume plus cover letter to Airport Operations Supervisor, Chicago Executive Airport, 1020 Plant Rd, Wheeling, IL 60090 or email [jobs@chiexec.com](mailto:jobs@chiexec.com)
