# WELCOME TO WHEELING

*President  
Dean S. Argiris*

## From the Desk of President Argiris

The holidays are a special time of year when we express our gratitude for all that we have, enjoy special visits with our families, and do our best to spread cheer to all who surround us. Help me and the Village Board usher in this magical season by lighting up the holiday lights at our “Lights Around Wheeling” event on Sunday, November 24 at Friendship Park. In addition to the ceremonial turning on of the holiday lights, enjoy refreshments, festive music, train rides for the kids, and, of course, visits and photo opportunities with Santa. We hope you can join us beginning at 4:30 p.m. for this fun-filled family event!

On October 11, I was honored to be a part of dedicating the new path along Dundee Road to former Wheeling resident and nationally-prominent bicyclist Phyllis Harmon. The completion of the Phyllis Harmon Path closes the only remaining gap in a 12.5-mile pedestrian thoroughfare that runs along the south side of Dundee Road from Illinois Route 53 in Arlington Heights to Green Bay Road in Glencoe. This little stretch of pavement will make a real difference in the quality of people’s lives by providing another practical transportation option, as well as having a recreational benefit. It’s the Village’s privilege to name this path in Phyllis Harmon’s honor as a fitting commemoration of her achievements, which include her induction into both the Chicagoland Bicycling Federation Hall of Fame and the United States Bicycling Hall of Fame.

I’m also proud to report that our very own Wheeling High School recently received a visit from U.S. Secretary of Education Arne Duncan, who toured the high school’s new Nanoscience lab and classroom. This nanotechnology lab is a first of its kind for a public high school, and has already received national recognition. The training completed in this lab will prepare students with skills that can be used immediately after high school in high-tech companies, as preparation for technical college, or as a primer for a higher-level college career. In addition to the tour, Mr. Duncan also discussed the importance of science, technology, engineering, and mathematics (STEM) education with students. Wheeling High School deserves special praise for their groundbreaking work in the area of science and mathematics, and I am thrilled for them to have received recognition from Secretary Duncan.

It’s been a good year in Wheeling, and the Village Board and I hope and expect the same for 2014. We wish you and your family the best for a happy holiday season and new year!

## Village Board Highlights — Recent Village Board Actions

*Previously recorded Village Board meetings can be viewed on our website, [www.wheelingil.gov](http://www.wheelingil.gov)*

- Dedicated newly constructed bike path to former Wheeling resident Phyllis Harmon.
- Approved a non-binding term sheet for the development of property in the Town Center Redevelopment Project Area TIF District (former Wickes site).
- Approved a contract with Orange Crush, LLC for the Street Patching & Resurfacing Program.
- Approved a contract with Trees “R” Us, Inc. for the annual Parkway Tree Trimming Program.
- Approved a contract with Clean Cut Tree Service for the annual Creek Tree Trimming & Brush Clearing Program.
- Accepted a proposal from Haeger Engineering, LLC for consulting services for the Jackson Drive roadway improvements.
- Approved recertification for the Community Rating System.
- Granted special use and associated site plan approval for a restaurant, La Michoacana de Mikey, at 294 McHenry Road.
- Granted special use, site plan, and appearance approval to establish a sit-down restaurant with entertainment at 723 N. Milwaukee Avenue (Spears Bourbon, Burgers, and Beer).

**Watch all Village Board and Plan Commission meetings on Comcast Channel 17 and AT&T Channel 99 or streaming live at [www.wheelingil.gov](http://www.wheelingil.gov).**

# WELCOME TO WHEELING

## The Clerk's Corner

Village Clerk  
Elaine E. Simpson

Brought to you  
by the Wheeling  
Board of Health

### Holiday Events in Wheeling

The holiday season is approaching and several fun-filled family events will be happening throughout the Village.

#### Lollipop Lane at Chamber Park

Lollipop Lane annual festivities begin Saturday, December 7 and continue until Sunday, December 15. Lollipop Lane will be open Saturdays and Sundays from 2 p.m. to 5 p.m. and Monday through Friday from 6:30 p.m. to 8:30 p.m. This event is sponsored by the Wheeling Historical Society, Wheeling Park District, Stasek Chevrolet, and many Wheeling businesses. Have your FREE picture taken with Santa, courtesy of Stasek Chevrolet.

#### Lights Around Wheeling

The annual lighting ceremony in the Village will take place on Sunday, November 24 beginning at 4:30 p.m. at Friendship Park, the northeast corner of Dundee Road and Milwaukee Avenue. Visit with Santa, drink hot cocoa and eat cookies, and enjoy holiday music and entertainment for the whole family while taking in the magic of the holiday lights. This is a free event. We hope you can join us!

#### Letters for Santa

Start making your list! Santa's elves are leaving the North Pole and will be arriving in Wheeling to place Santa's mailboxes in businesses around town. Santa's helpers promise that from November 15–December 15 you will be able to post your letters to Santa for express delivery to the North Pole. On December 15, Santa's elves will be picking up the mailboxes to get them back to the North Pole in time for Christmas. This program is sponsored by the Wheeling/Prospect Heights Chamber of Commerce.

*Wishing you a safe  
and happy holiday season.*

### Community Blood Drive

The Village of Wheeling and the Wheeling Board of Health will be hosting a blood drive from 2 p.m. to 7 p.m. on Wednesday, November 13 at the Village Hall.

Blood donors of all types are needed every day for critically ill patients, accident victims, people needing surgery, and patients suffering from chronic diseases such as cancer and leukemia. If all eligible people would donate, there would never be a blood shortage.

Appointments are appreciated. To schedule an appointment, please call Health Officer Beverly Slaby at 847.499.9045 or email her at [bslaby@wheelingil.gov](mailto:bslaby@wheelingil.gov). You may also call LifeSource at 877.543.3768 or go to [www.lifeforce.org](http://www.lifeforce.org) and use sponsor code WH98. Walk-ins are also always welcomed!

There will be door prizes of gift certificates from Wheeling restaurants. Please donate and share the gift of life.

### Join the Great American Smokeout on November 21

The American Cancer Society marks the Great American Smokeout on the third Thursday of November each year by encouraging smokers to use the date to make a plan to quit, or to plan in advance and quit smoking that day. By quitting—even for one day—smokers will be taking an

important step toward a healthier life, one that can lead to reducing cancer risk.

For more information on quitting the use of tobacco, call the American Cancer Society at 800.ACS.2345 or go to the You Can Quit website at [www.ucanquit2.org](http://www.ucanquit2.org).

## Snow Season Procedures

The Public Works Department is responsible for clearing and de-icing arterial roads and residential streets, as well as public sidewalks, bus stop shelters, the Metra station, and Village-owned buildings. Public Works is not responsible for county or state roadways. County roads include Lake Cook Road, Buffalo Grove Road, Schoenbeck Road, Hintz Road, and Aptakisic Road (call 847.827.1164). State roads include Elmhurst Road (Route 83), Dundee Road, Milwaukee Avenue, Palatine Road, McHenry Road, and Wolf Road (Manchester north to Milwaukee Avenue and Marquardt south to Camp McDonald Road) (call 847.705.4222).

### During the snow season residents are advised of the following:

- \*For safety, please maintain a distance of 100 feet or more when driving behind a snow plow or salt truck.
- \*Please shovel snow away from fire hydrants so they can be accessible in case of emergencies.
- \*Please do not place refuse or recycling containers in the street.

### Parking Restrictions

\*Do not park vehicles on any street in the Village within eight hours after a snowfall of two inches or more (per Village Code 9.10.103). This allows streets to be plowed accordingly by Public Works. Vehicles in violation will be towed.

### Sidewalk Requirements

\*Residents and property owners are responsible for clearing snow and ice from sidewalks adjoining or adjacent to their property whenever there is a snowfall, and by 10 a.m. on every morning thereafter. If the snow and ice is frozen, owners are responsible for spreading the areas with sand, sawdust, salt, or other substances made for the purpose of melting snow and ice (Village Code 11.16.010).

\*Snow or ice shall not be deposited into any street, road, or highway, or along the shoulder or edge of any street, road, or highway within the Village (Village Code 11.16.040). Please deposit snow and ice from sidewalks and driveways onto the parkway.

\*Residents and property owners who are in violation may be penalized.

Residents may contact the Public Works Department at 847.279.6900 with any questions or concerns.

## “Flushable” Wipes & Sewer Systems

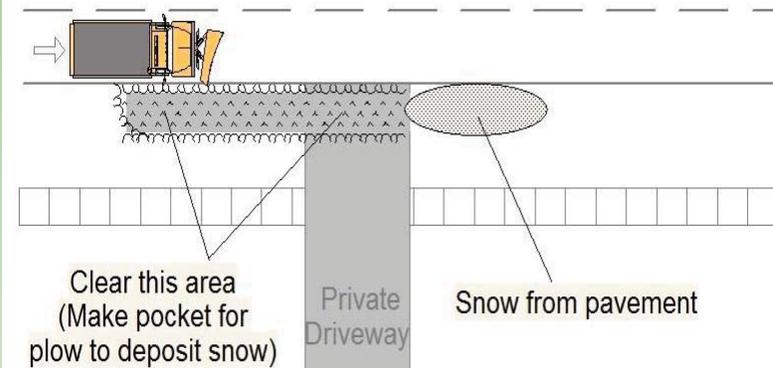

Popular pre-moistened wipes, or “flushable” wipes, are clogging sewer systems. Although manufacturers claim that wipes can be conveniently flushed down the toilet, their cloth-like material does not break down in the sanitary sewer system like toilet paper. Wipes can cause massive blockage in sewer lines, obstruct equipment, and increase costs of maintenance and repair on sewer systems (such as lift station pumps and sewer cleaning machinery).

Public Works responds to numerous sewer clogs each year, and a number of them are caused by pre-moistened wipes or other non-flushable items such as diapers, rags, paper, fats, oils, or grease. Repairs to the sewer system, whether public or private, can be extremely costly, which can ultimately lead to higher sewer rates for residents. Residents are asked to please not flush wipes (flushable or non-flushable) or any product that may cause sewer system issues. Wipes should be treated as a solid waste.

If you have any questions, please contact the Utility Division at 847.279.6900.

## Snow Shoveling Guidelines

When shoveling the end of the driveway near the street, place the snow to the right of the driveway (as you face the street). If it is piled on the other side, it is more likely to be pushed into the driveway when the streets are being plowed. Also, clear a few feet of the edge of the street and curb to the left of the driveway. This creates a pocket for the snow to spill into and will help reduce the amount of snow at the end of the driveway. Refer to the illustration below.

## Protect Pipes from Freezing

Follow these measures to protect water lines from freezing and prevent water pipes from rupturing during extreme cold:

- Keep home temperatures no lower than 55 degrees F.
- Disconnect and drain outdoor hoses.
- Allow cold water to drip or trickle through faucets.
- Open cabinets and closets containing water lines to allow warm air to circulate around plumbing.
- Consider installing pipe insulation.
- Check pipe insulation periodically to make sure it is dry.
- Seal cracks in doors, windows, and foundations.
- Know where your master valve is located in case you need to shut off the water.

If you know that a property has been unoccupied for several days, contact the Utility Division at 847.279.6900 to verify that water services are shut off at the property. This can prevent costly damage to the unoccupied property.

# HUMAN SERVICES DEPARTMENT

## Pavilion Senior Center

*The Pavilion Senior Center—part of the Department of Human Services—is open to area adults 55 years or better. Call 847.459.2670 for more information.*

### Lunch at Pavilion

Join us for a great meal and great friends at Lunch at Pavilion. Great NEW menu selections, restaurant atmosphere, table service—you can't beat it! The Wheeling Senior Center hosts meal service for anyone 60 years and better. A nutritionally balanced lunch is served Monday, Wednesday, and Friday from 11:30 a.m. until 12:30 p.m. Reservations are needed. Social activities and informational programs are included as part of this program. Each diner will receive written information regarding the cost of the meal and will have the opportunity to contribute to part or all of the cost. The suggested donation is \$4. Lunch at Pavilion uses a punch card system; cards can be purchased at the front desk at the Senior Center. The cost of these cards is \$15 for five meals. The Lunch at Pavilion program is committed to providing meals to all older adults 60 and better, regardless of ability to pay. If you are financially unable to purchase a punch card, please see Shari or Alysia, and they will gladly assist you. Funds for this program are provided by an award from AgeOptions through the Illinois Department on Aging and the Federal Administration on Aging. Meals are prepared by the Catholic Charities. Lunch is often followed by a presentation, speaker, or musical entertainment. For more information regarding how to register or volunteer, please contact the Senior Center at 847.459.2670 and ask for Jesus Delgado.

### Tuesday Evening at Pavilion

Join Julie Gange from Home Instead for an exciting bingo program. Refreshments will be served. Please register by stopping in at the Senior Center or by calling 847.459.2670.

Date: Tuesday, November 19

Time: 6 p.m. – 8 p.m.

Place: Wheeling Pavilion Senior Center

Cost: FREE for members / \$2 for non-members

*Please note: We must have a minimum of six people registered in order to keep the center open!*

### Rules of the Road

The Senior Center will be offering a Rules of the Road class in preparation for the Illinois written and driving tests. Come and refresh your memory so you can ace your exam!

Date: Wednesday, November 20

Time: 10 a.m. – 12 p.m.

Place: Wheeling Pavilion Senior Center

Cost: FREE, but advance registration is required.

Please register for this program at the Senior Center. Call 847.459.2670 for more information.

## Social Services Division

*The Social Services Division has three professional social workers who work closely with the Police and Fire Departments as well as the schools and community agencies to serve the residents of Wheeling. If you need assistance, please feel free to contact the Human Services Department Social Services Division at 847.459.2606. We invite you to take advantage of the many services and great information available.*

### Alzheimer's Family Education Program

Are you caring for an aging parent or relative with Alzheimer's disease? This workshop will help you learn about the causes, symptoms, diagnostic process, and behaviors of Alzheimer's disease.

Date: Tuesday, November 19

Time: 11:30 a.m. (lunch will be served)

Place: Wheeling Pavilion Senior Center

Cost: FREE, but registration is required by November 8.

Register by calling the Wheeling Pavilion Senior Center at 847.459.2670.

### Coffee with the Manager

The Village of Wheeling Senior Citizens Commission invites you to coffee (or tea) with Village Manager Jon Sfondilis. Our first coffee date will be Friday, November 8 at 2 p.m. at the Senior Center. Bring your questions, comments, and suggestions and learn about the community you live in. For planning purposes, please call the Senior Center at 847.459.2670 to reserve your space. We hope to see you there!

**Do you have questions about the implementation of the Affordable Care Act, otherwise known as "Obamacare"? Please visit [getcoveredillinois.gov](http://getcoveredillinois.gov) or call 866.311.1119.**

### Fireside Christmas

The Fireside Theatre is known for their beautiful and original holiday revues for the Christmas holiday. Join the Wheeling Pavilion Senior Center as we travel to Fort Atkinson, Wisconsin for an enjoyable day. Browse the unique shops, then enjoy a delectable lunch of scallops, ham, vegetables, potatoes, and dessert. Following lunch we will delight in this year's "Fireside Christmas" show.

Date: Thursday, December 12

Time: Meet at the Senior Center at 7:45 a.m., leave at 8 a.m.

Cost: \$110 members / \$125 non-members November 1–18.

No refunds after November 18.

# POLICE & FIRE DEPARTMENTS

## Winter & Holiday Safety Tips

With the arrival of winter and the holiday season comes the arrival of snow and ice, too. With some planning and preparation in advance, you can make this a safe and fun-filled season.

- **Have your home furnace or boiler professionally serviced and cleaned.** A service technician can verify that dangerous Carbon Monoxide (CO) gas is not backing up into your home.
- **Test and vacuum your smoke and Carbon Monoxide (CO) detectors.** Dust and dirt accumulated on the unit can delay its activation when needed. If you have not recently changed your detector's battery, do so. Also, if your smoke detectors are ten or more years old or your CO detectors are more than five years old, completely replace them.
- **Check your car's tire inflation pressure.** Tires lose pressure during the fall due to outside temperature fluctuations. Also check the remaining tire tread and consider replacing your tires if they are old or worn. Keep your fuel tank above half-full at all times to minimize the collection of moisture in your fuel tank and reduce the risk of your fuel line freezing up. If your vehicle's battery is old, now is a great time to have it replaced, as car batteries are greatly affected by cold temperatures.
- **Place a winter emergency kit inside of each family vehicle.** This kit should include a blanket, collapsible snow shovel, ice scraper, jumper cables, flashlight (with new batteries), road flares, basic first aid kit, cellphone charger, and basic non-perishable food or snacks (ex. granola bars, Pop Tart®, etc.).
- **Use holiday candles with great care.** Always place candles in a sturdy, non-combustible holder, and never leave them burning unattended. Keep lighters and matches properly stored and out of the reach of children when not in use.
- **Inspect holiday lights before installing them.** Check for damaged wires or missing bulbs. Also, do not exceed the manufacturer's recommendations for how many strings of holiday lights can be strung together; usually no more than three or four in a row.
- **Avoid using space heaters if at all possible.** Do not use kerosene or propane heaters indoors since they produce CO gas. Keep all space heaters away from combustible materials, and only use space heaters when the room is occupied. Finally, do not plug them into power strips or electrical multi-adapters.
- **Dispose of leftover gasoline from your lawnmower or snow blower by carefully pouring it into your vehicle's fuel tank.** This is safe to do even if your gasoline is mixed with two-cycle oil. Never pour old gasoline into the sewer system.
- **Dispose of holiday wrappings and trees appropriately.** Never throw these items into a fireplace or wood-burning stove since they burn too fast, generate too much smoke, and may overload the capacity of the fireplace or wood-burning stove.
- **Dispose of fireplace or wood-burning stove ashes appropriately.** Remember, ashes that appear to be "cold" can actually still be a fire risk more than 24 hours later. Do not place them in garbage cans in your home or garage, in case they re-ignite.
- **Do not call 9-1-1 if the electrical power goes out.** Instead, call ComEd at 1-800-EDISON1.

## Beware of criminals looking to make victims of busy holiday shoppers!

- Be alert and aware of your surroundings at all times.
- Beware of strangers approaching you for any reason. One may try to distract you while a partner steals from you.
- Carry small amounts of cash and few credit cards.
- Carry your wallet in a front pocket or inside coat pocket. If you must carry a purse, use one with a shoulder strap and carry it diagonally across your body. Hold the purse firmly in front of you and keep it zipped.
- Don't flash cash or credit cards. Shoulder surfers will attempt to steal your credit card number or debit PIN. Protect them by shielding with your hand.
- Don't overload yourself with packages.
- Always keep one hand free to protect yourself if necessary.
- Don't get distracted by music or talking on your phone.
- Park in a well-lit area.
- Store your purchases in your locked trunk or out of view in your SUV.

### WHILE SHOPPING ONLINE

- Do NOT respond to or open unsolicited emails or links.
- When making online purchases, make sure the website is secure. The address should begin "https" (this indicates a secure site), OR look for the locked padlock icon.
- Only use familiar and reputable online retailers.
- Use a credit card for online purchases for maximum protection.
- Print and save online receipts.
- Check your credit card statements for unauthorized purchases.

ALZHEIMER'S FOUNDATION  
OF AMERICA

## National Memory Screening Day®

Tuesday,  
November 19  
at 199 N. First  
Street  
(Senior Center)

The Human Services Department of the Village of Wheeling will be hosting an entire day of information and resources to commemorate the Alzheimer's Foundation of America's National Memory Screening Day. Screenings will be conducted in English, Spanish, and Russian, with half-hour appointments starting at 9:30 a.m. Please call 847.459.2606 for an appointment. *En español, llame por la tarde.* For a Russian language screening, please call 773.428.3058. Russian screenings are provided by the Council for Jewish Elderly (CJE).

### Who Should be Screened?

Memory screenings make sense for anyone concerned about memory loss or experiencing warning signs of dementia. Screenings also are appropriate for anyone who does not have a concern right now, but who wants to establish a baseline score for comparison in the future. These questions might help you decide. If you answer "yes" to any of them, you might benefit from a memory screening.

- ~Am I becoming more forgetful?
- ~Do I have trouble concentrating?
- ~Do I have trouble recalling words or names in conversation?
- ~Do I sometimes forget where I am?
- ~Have family or friends told me that I am repeating questions or saying the same thing over and over again?

*Note: A memory screening is not used to diagnose any particular illness and does not replace consultation with a qualified physician or other healthcare professional.*

## Holiday Solid Waste Collection Reminder

In observance of Thanksgiving Day, Thursday, November 28, refuse, recycling and yard waste\* will be delayed by one day.

In observance of Christmas Day, Wednesday, December 25, refuse and recycling will be delayed by one day.

\*Yard waste collections end on November 30.

## Holiday Tree Collections

Non-artificial holiday trees are collected at residential curbsides during the first two weeks in January at no additional charge. All decorations, stands, etc. must be removed from trees. Please do not place trees in plastic bags. Trees that have decorations or are in stands or plastic bags will not be collected.
