Project Updates

For information about this project please go to www.wheelingil.gov. From the Popular Links menu select: Capital Improvement Projects (Click) >> 2017 Watermain Replacement Program (click).

The Village will be sending out email notifications to those who have subscribed to receive them. Residents and business owners are able to subscribe by visiting www.wheelingil.gov and selecting Notify Me.

Please note that there will not be any hand delivered project progress notices. Please visit the Village website for regular updates and additional information regarding this project.

What to Expect

- ◆ Construction to begin in early/mid May 2017 and conclude by late September / mid October of 2017.
- ◆ Daily work hours— Monday through Friday, 7 a.m. to 6:00 p.m.; and if necessary 7:00 a.m. to 6 p.m. on Saturday.
- ◆ Temporary driveway access interruptions may be experienced, however, prior notifications will be made.
- ◆ Streets will be open for evening and night parking in those areas where it is normally allowed.
- ◆ Dust control measures will be implemented and monitored.
- ◆ **This type of work involves the operation of equipment and heavy machinery. Please exercise caution and avoid the construction zones.**

Special Notice to Owners of Underground Lawn Sprinkler Systems Located in the Village Owned Right-of-Way:

It is the property owner's responsibility to arrange for the repair and bear the cost of any lawn sprinkler system and/or piping within the public right-of-way that gets damaged by the contractor. It is recommended that any sprinkler system within the public right-of-way be relocated prior to curb removal. During the various phases of construction, we also request that lawn sprinkling adjacent to these ongoing improvements be kept to a minimum.
