

# FLYING A DRONE NEAR AN AIRPORT IS

# HIGHLY DISCOURAGED AND DANGEROUS

Hobbyists who want to operate drones within 5 miles of an airport, must contact the airport operator and the airport control tower before they fly. Call (847) 537-2580 and mention DRONES.

Visit your Chicagoland drone resource at [chiexec.com/drones](http://chiexec.com/drones) before you fly.
