The **Cook County Department of Transportation and Highways** announces bridge repairs at the following locations:

- Lake Cook Road over Wisconsin Central RR
Village of Wheeling
- Lake Cook Road over Buffalo Creek
Village of Buffalo Grove

The improvements include removal and replacement of existing strip seal expansion joints, structural repair of concrete, and deck slab repair at each bridge.

During construction, traffic will be reduced by one lane in each direction. Motorists are advised to drive carefully and expect delays **-OR-** seek alternate routes in order to avoid construction.

The project is scheduled for completion in Fall 2016.
